2024 HIGHLIGHTS: CELEBRATING PROGRESS AND NEW BEGINNINGS

Dear Supporters,

With hearts full of gratitude, we are delighted to inform you that our fundraising campaign "NEW HANDS AND A NEW LIFE FOR EVA" has concluded with overwhelming success. Your incredible generosity allowed us to raise CHF 5,822 through GoFundMe and many other direct contributions to our organisation, surpassing our initial goal.

Eva's story has deeply touched each of us, and thanks to your extraordinary support, we have been able to give her renewed hope. Following surgery on her left hand and a rehabilitation that exceeded all expectations, Eva has returned to Ghana with a new smile and a bright future ahead. Today, she is a radiant young woman, rediscovering joy in life and excelling in her studies.

We could not have achieved this milestone without you. Your donations, thoughts, and prayers have accompanied Eva on this journey, making possible what seemed impossible.

"What we do is just a drop in the ocean, but if we didn't do it, the ocean would have one less drop."
